<u>Student Responsibility</u>: It is the responsibility of students to know the date and room location for their exams and to ensure that they are present for each exam they are required to write. Room allocations will be provided to you by your teacher.

<u>Postponement of Exams</u>: Should exams be postponed for any reason, the "bump and slide" principle will apply: each day's exams will be written 1 day later than originally scheduled. Should this occur, students are expected to be available to write their exams

Final Evaluations are Compulsory: All students must write their final exams. For students missing an exam due to illness, a medical certificate must be presented to the Vice-Principal. Students are responsible for knowing the time and location for E-Learning and Practical exams by checking with their teachers for details.
