STUDENT RESPONSIBILITIES

- Students are required to attend classes regularly, participate in activities, and submit work on time. Absence for any reason does not remove the responsibility of a student to complete work in a timely manner.
- Students who commit *academic fraud* i.e. *plagiarize or cheat*, and those who miss performance tasks without a legitimate and substantiated excuse risk the successful and timely completion of their work. Tasks consisting of academic fraud will be considered incomplete, as they do not provide a reliable demonstration of student learning.*
- All incomplete work will be factored into the final mark. When a student fails to demonstrate competence with a task for this or any reason, remedial work may be assigned at the teacher's discretion. In these cases, a reasonable timeline must exist to facilitate the completion and subsequent evaluation of the performance.
- Students may on occasion negotiate with the teacher to have an assignment submitted late. All work accepted for marking will be professionally evaluated; however, written feedback and anecdotal remarks on late submissions may not be possible based on time constraints.

- **See School Assessment, Evaluation, and Reporting Policy for details.**

* Academic Fraud is defined as any act of dishonesty purposely or carelessly intended to enhance academic performance. Plagiarism is defined as the act of taking the written word or original work of another person, without giving due credit, whilst passing it off as ones own.
