

**Needed: grass cutter/general labourer.**

- **The ideal candidate would have previous experience but not necessary.**
- **Able to put in an 8 hour day.**
- **Safety boots are required**
- **Must be strong, on time (or they hold back the team), capable of following direction.**
- **Have a drivers license but not necessary. (we do not really have a great bus system to get here from Richmond)**
- **If this person is mechanically inclined it would be a bonus (we have a fleet of 42 John Deere Tractors) if they prove themselves to be a good worker we have the opportunity for them to stay on as a winter driver(snow removal)**
- **This position is open to all, male or female.**
