
UNIVERSITY *of* GUELPH

Interaction - April 25 & 26, 2018: A Conference for University-bound Grade 10 and 11 Students. Explore the University of Guelph community and learn more about our academic disciplines and student services. From *Introduction to DNA Barcoding*, to *Designing for the Wearable Computing Environment*, *Weighing the Profits: A Business Case Competition*, or *Conflict: The Good and the Bad*, your choices are varied.

Registration is required and includes a fee per student (includes lunch).
Registration and event details will come in Spring 2018
