STUDENT RESPONSIBILITIES

1. Students are required to attend classes regularly, participate in activities, and submit work on time. Absence for any reason does not remove the responsibility of a student to complete missed work.
2. Students who commit *academic fraud* i.e. *plagiarize or cheat*, and those who miss performance tasks without a legitimate and substantiated excuse risk the successful and timely completion of their work. Tasks consisting of academic fraud will be considered incomplete, as they do not provide a reliable demonstration of student learning.*
3. All incomplete work will be factored into the final mark. When a student fails to demonstrate learning on a performance task, for any reason, remedial work may be assigned at the teacher's discretion. In these cases, a reasonable timeline must exist to facilitate the completion and subsequent evaluation of the task.
4. Students may, on occasion, negotiate with the teacher to have an assignment submitted late. All work accepted beyond the original due date, for any reason, will be professionally evaluated. Please note that written feedback and anecdotal remarks on late submissions may not be possible based on time constraints. Additionally, it may be judged necessary to reconsider the value of such work when determining a student's final grade.

***Academic Fraud** is defined as any act of dishonesty purposely or carelessly intended to enhance academic performance. **Plagiarism** is defined as the act of taking the written word or original work of another person, without giving due credit, whilst passing it off as ones own.

LITERACY

Success in Canadian and World Studies courses depends in large part on strong literacy skills. Many of the activities and tasks students undertake in CHC2P involve the use of written, oral, and visual communication skills. The study of this subject will thus encourage students to use language with greater care and precision and will enhance their ability to communicate effectively.

ANTIDISCRIMINATION POLICY

The Canadian and World Studies curriculum is designed to help students acquire the "habits of mind" essential for citizens in a complex world. Students are expected to demonstrate an understanding of the rights privileges, and responsibilities of citizenship, as well as a willingness to show respect, tolerance, and understanding towards individuals, groups, and cultures in the global community. They are also expected to understand that protecting human rights and taking a stand against racism and other expressions of hatred and discrimination are basic requirements of responsible citizenship.

ACCOMMODATIONS FOR EXCEPTIONAL STUDENTS

The (name) department makes every effort to accommodate the identified needs of exceptional (IPRC'd) students and will attempt to differentiate curriculum delivery methods, student modes of expression, and assessment methods as recommended by the student's individual education plan (IEP).
