

# Nokia Future Tech 2018 Summer Internship

July 3rd – August 17th

If you are a student going into grade 12 who is curious, interested or has a passion for Science, Technology, Engineering or Mathematics, this is the internship for you.

The Future Tech Internship will have you working alongside Nokia engineering teams. You will contribute to meaningful work while receiving valuable support from a Nokia Future Tech Mentor. You will discover new possibilities and skills that will help you make an impact on the future of technology.

## Requirements

- You must be able to participate in the program for all 7 weeks
- You must have an expected average of at least 75% in Grade 11
- You must be registered in at least two of the following Grade 12 courses: Physics, Chemistry, Advanced Functions, Calculus and Vectors, Computer Science, Biology, Earth and Space Science, Computer Engineering Technology and Manufacturing Engineering Technology

## Perks

- Learn from Nokia Future Tech Mentors while you shape your future
- Future Tech interns are paid \$15/ hour
- Lunch and Learns to learn more about the working world

## Are you ready?

Send a 1 minute video application and your most recent report card to

[Future.Tech@nokia.com](mailto:Future.Tech@nokia.com) before March 1st.

Get creative and show us why you want to be a Future Tech intern and how you would be a great fit for the job!
