

Engineering and IT Info Day

FOR FEMALE HIGH SCHOOL STUDENTS

Are your female students considering a future in STEM?

Help them discover what a degree in Engineering or IT can offer! Please pass along the details for this one-of-a-kind event, featuring firsthand stories and advice from female faculty, students and alumni from Carleton University's Faculty of Engineering and Design. Plus, they'll enjoy a free lunch on us!

Time: Feb. 3rd, 2018, 11:30 PM – 2:30 PM

Cost: FREE, including parking (find details when registering)
